

Employer COVID-19 Testing Services: How it works

1.) Pick a testing option that suits your company's COVID-19 testing needs

- a. Send your employees to us
 - i. We offer 3 public testing sites located in Cary, Raleigh, and Durham that are open Monday through Friday and does not require an appointment.
- b. We can come to you
 - i. We can send a collector to your establishment based on how frequently you need to test your employees. (i.e., daily, weekly, bi-weekly, monthly, etc.)
- c. We can provide test kits
 - i. We have designed an easy to use self-administer COVID-19 test kit that can be picked up and brought back or mailed to our laboratory Monday through Friday. A point of contact at your business will be trained to handle managing all employee testing with our easy-to-use secure online client portal.
- d. A combination of all services
 - i. Need flexibility? We are happy to work with you to reach your goals of COVID-19 prevention and can discuss other arrangements upon request.

2.) Arrange payment options

- a. If employee has been exposed to COVID-19, we can currently bill insurance.
- b. All other testing options will require a payment arrangement.

3.) When and how will you receive results?

- a. We provide fast and reliable results within 24 - 48 hours of sample arrival at our molecular lab in Cary, NC.
 - i. We can pick up samples at your location or you can send them to us
- b. We can send results directly to the employee via HIPAA compliant and secure email and text message, and/or we can provide a master list of results that is sent directly to you via e-mail. We also have an easy and convenient result portal:
[https://www.aspirarmedicallab.com/covid-19/ COVID-19 Results Portal](https://www.aspirarmedicallab.com/covid-19/COVID-19%20Results%20Portal)

4.) How do I register my business?

- a. You can register your business online by filling out the inquiry form at
[https://www.aspirarmedicallab.com/covid-19/ Employer COVID-19 Testing](https://www.aspirarmedicallab.com/covid-19/Employer%20COVID-19%20Testing)

5.) Have additional questions?

- a. Contact Peck Chay at 317-626-0277 or peck@aspirarhealth.com to start discussing COVID-19 options for your company today.
- b. Please allow 24 hours for Aspirar Health to set-up our COVID-19 testing services with your company.
