Re: Blue Cross Blue Shield Payments Directly to Members

From: Aspirar Medical Lab 135 Parkway Office Ct. Ste 105 Cary, NC 27518

Dear COVID-19 Testing Patients -

Thank you for using Aspirar Medical Lab for your COVID-19 testing needs. We will process the claim to your Blue Cross Blue Shield (BCBS) insurance. We are an out of network provider for BCBS. As a result, there are some plans within BCBS where they will send the reimbursement check directly to their members and not to the lab.

If you receive a check from BCBS for our COVID-19 testing services, please see the options below on how to send in the payment.

Option 1: If you have **not** cashed the BCBS check then please remit the check to Aspirar Medical Lab by signing the policy holder's name on the back of the check and "Pay to the order of Aspirar Medical Lab".

Option 2: If you have cashed the BCBS check then please send in a personal check for that amount to the address below.

Aspirar Medical Lab
135 Parkway Office Ct. Ste 105
Cary, NC 27518

Option 3: If you prefer to call in and make your payment, please call us at 919-977-9011 ext. 202. We are open Monday through Friday, 9:00 am – 5:00 pm.

Thank you for your cooperation so we can continue to service our community's COVID-19 testing needs.

Kind Regards,

Aspirar Medical Lab
